1.0 GENERAL INFORMATION

1.1 System Overview

Neemrana Circle website is designed for providing a local search for different types of services in Neemrana. The application is developed by Students of NIIT University under the guidance of Dr. Gurendra Nath Bhardwaj. Website can also be viewed in mobile mode and has been coded in HTML5, CSS and JavaScript along with the use of Java and mysql for back-end and database. The user will be able to navigate through the website with button tabs on a web-based system. Although we have tested and debug it but if any bug and issues occur, your feedback is welcomed.

1.2 Authorized Use Permission

It prohibits the misuse or unauthorized distribution and modification of this application and any related documents.

1.3 Point of Contact

1.3.1 Information

NH 8, Delhi Jaipur Highway,
Neemrana, Rajasthan – 301705

1.3.2 Coordination

This is an initiative of NIIT University led by Dr. Gurendra Nath Bhardwaj (Professor & Deputy Registrar, NIIT University).

1.3.3 Help Desk

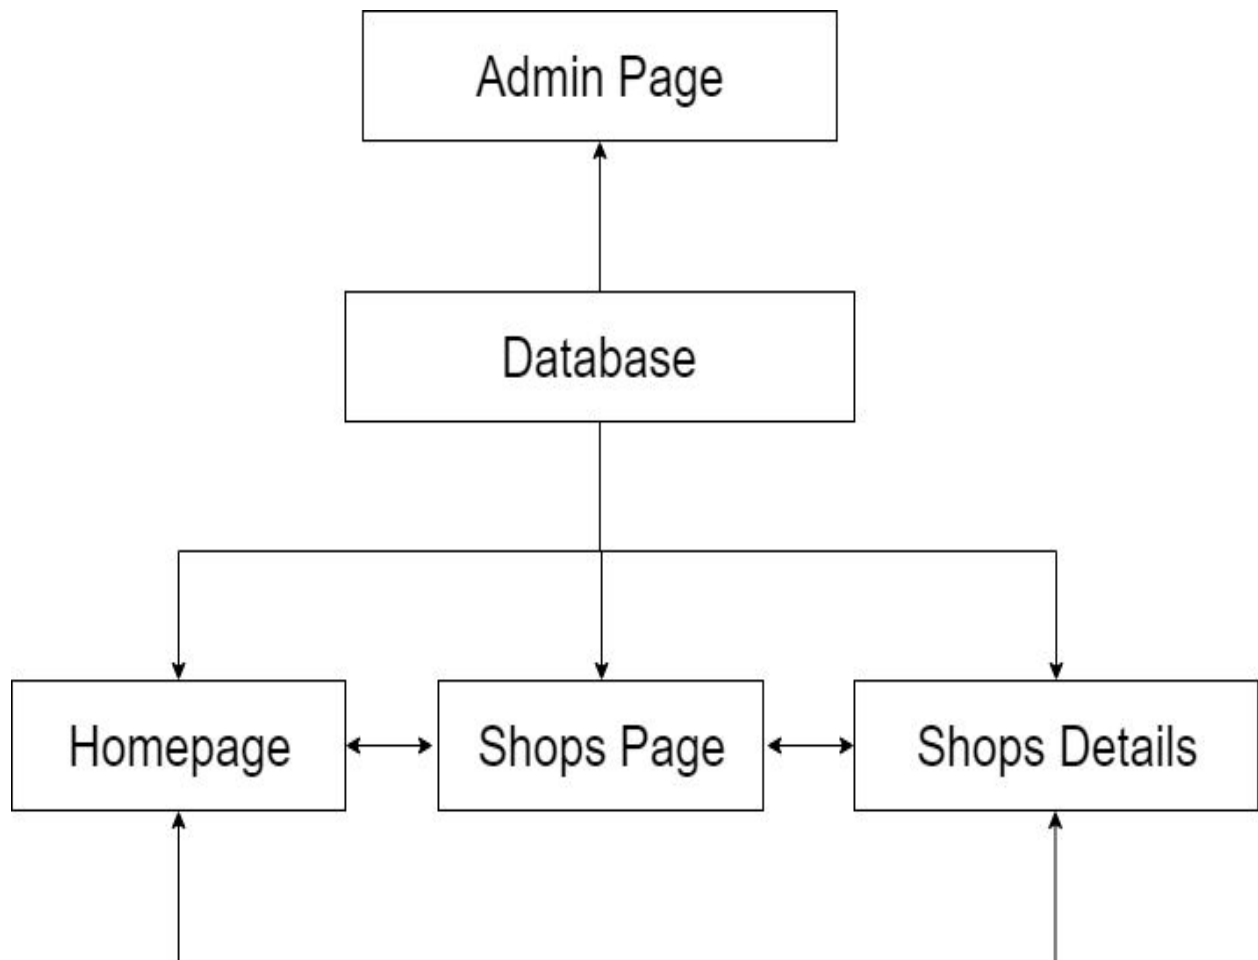

NH 8, Delhi Jaipur Highway,
Neemrana, Rajasthan – 301705

2.0 SYSTEM SUMMARY

2.1 System Configuration

Neemrana Circle can be accessed by any device like laptop, smartphone, etc. . The system requires Internet connectivity to function.

2.2 Data Flows

2.3 User Access Levels

There are only two users, first is an Admin and second a user who can access the whole website except the admin functionalities. Admin will be authenticated every time before using admin functionalities.

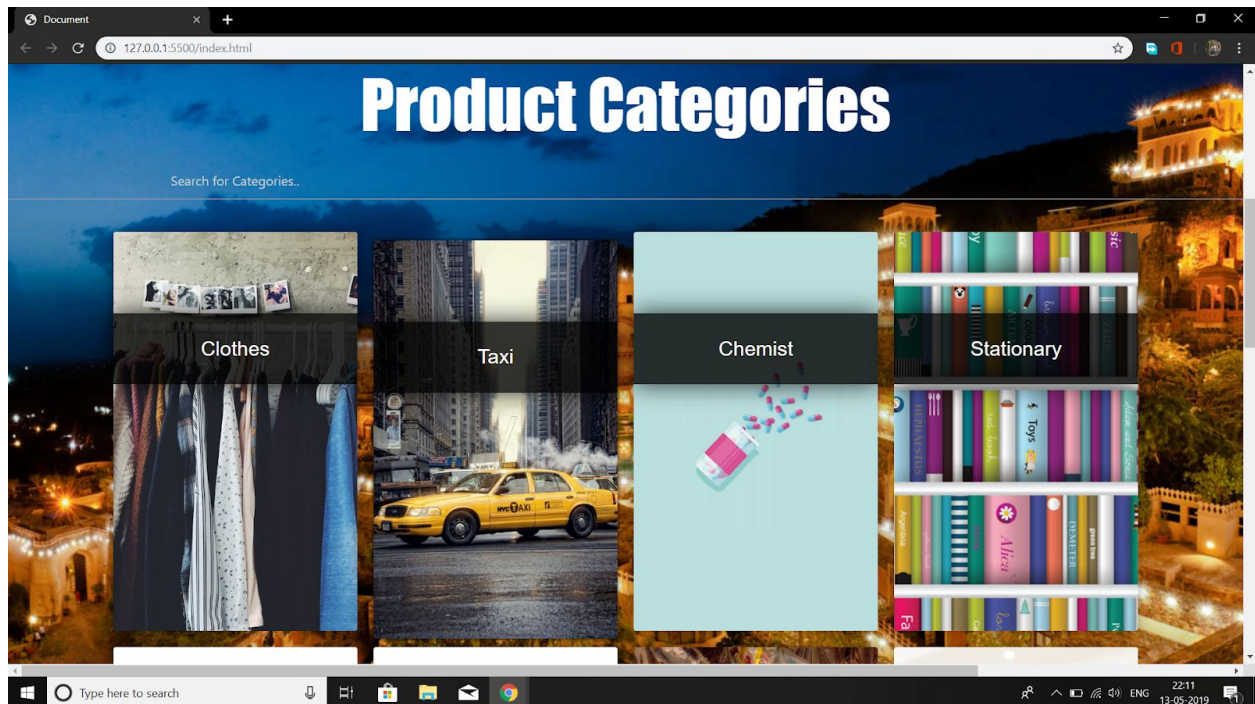

3.0 QUICK START GUIDE

3.1 Logging on (Gaining Access to the System)

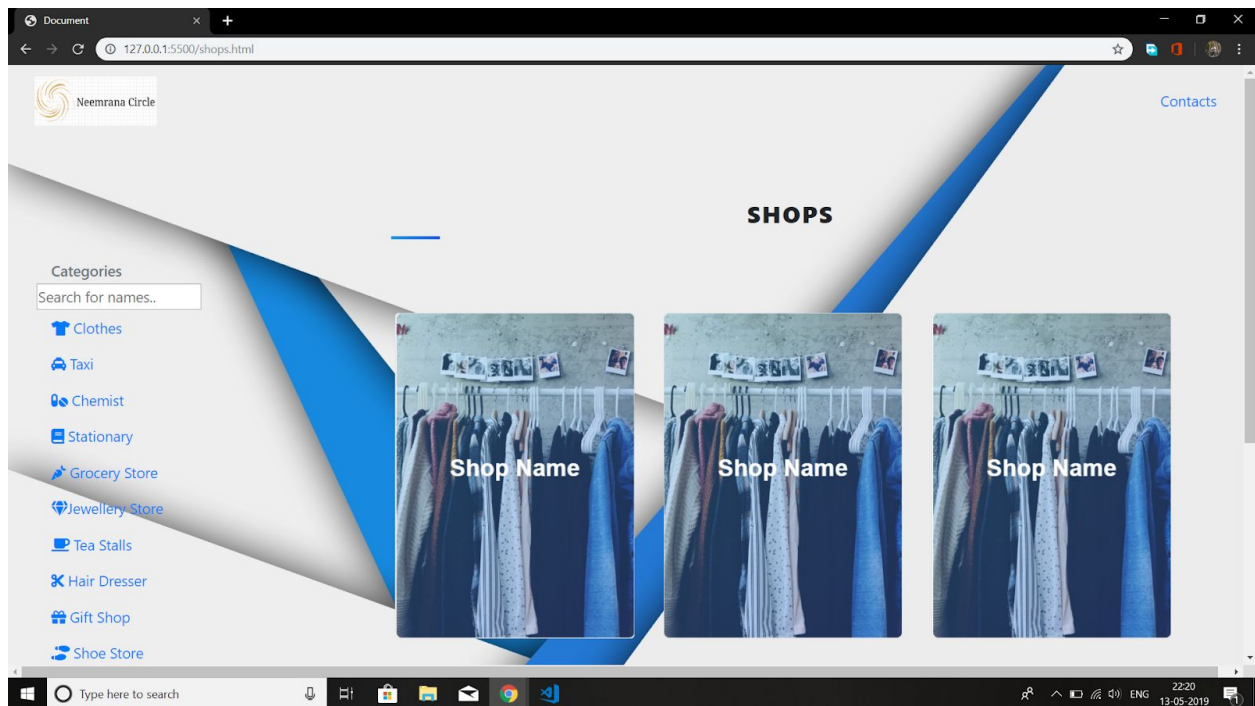

The Admin requires a login to access its functionalities such as creating, reading, updating and deleting any record in the database. The user simply opens the website and begins using it.

3.2 System Menu

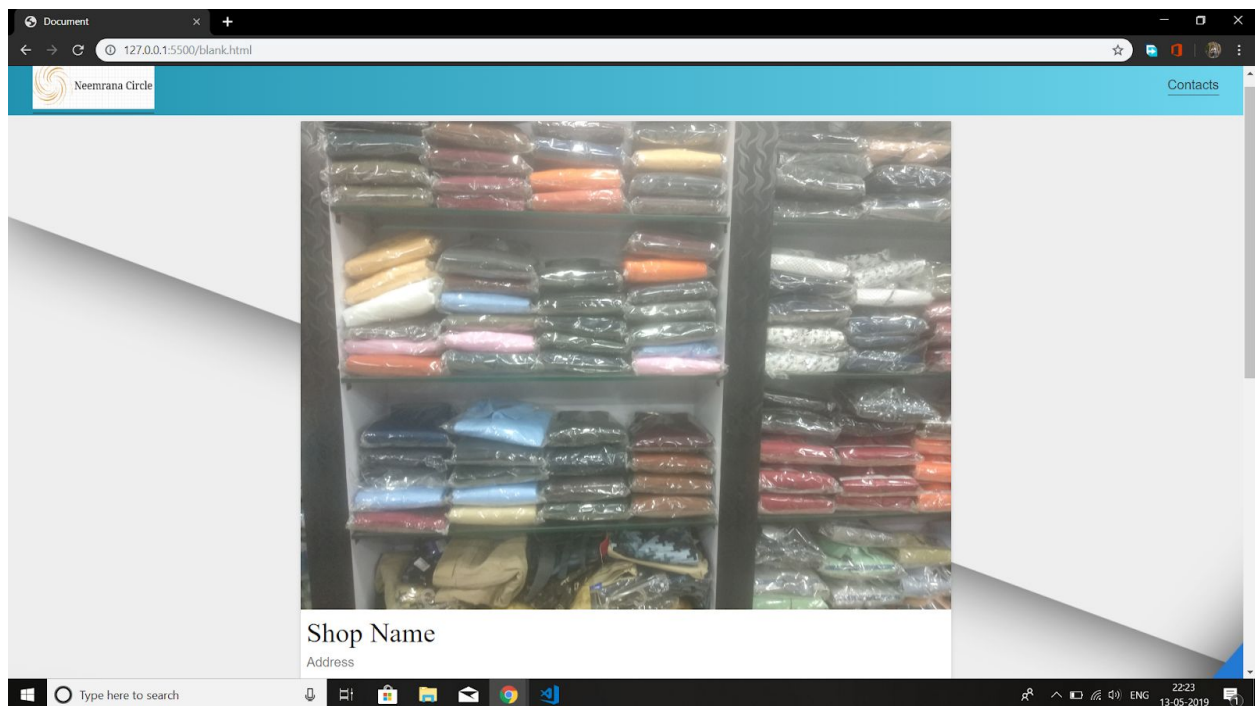

3.2.1 Home Page

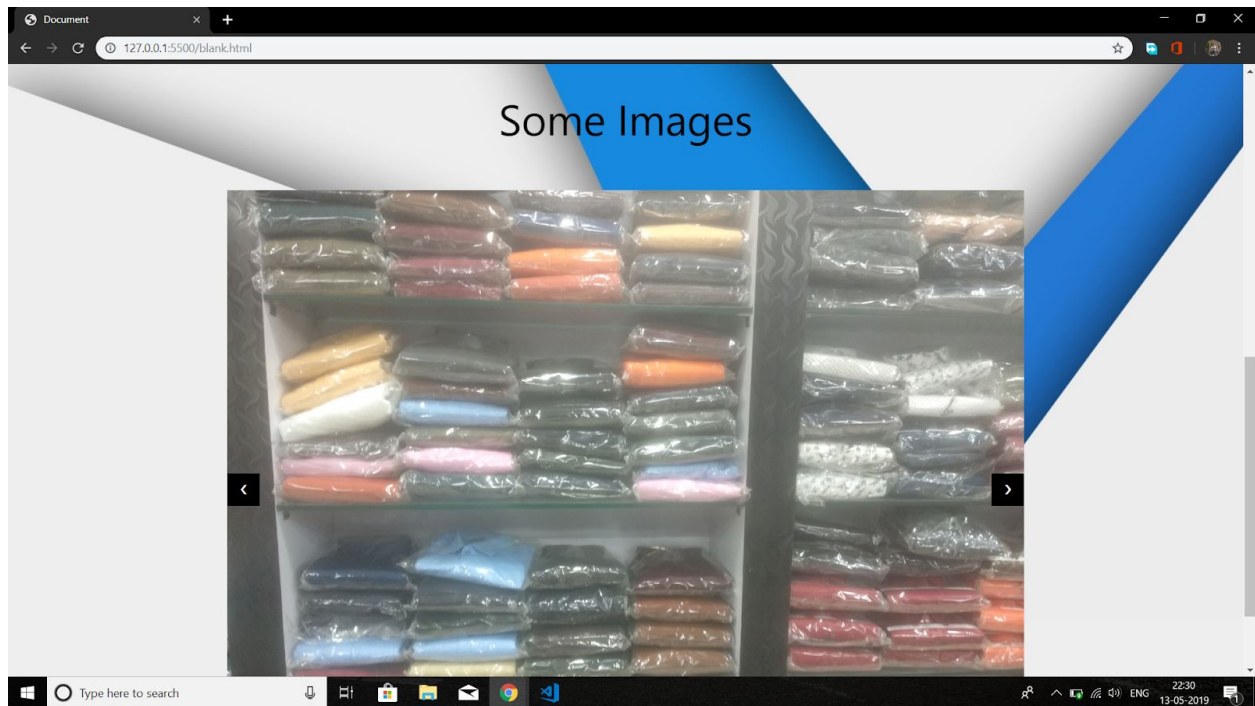

3.2.2 Shops Page

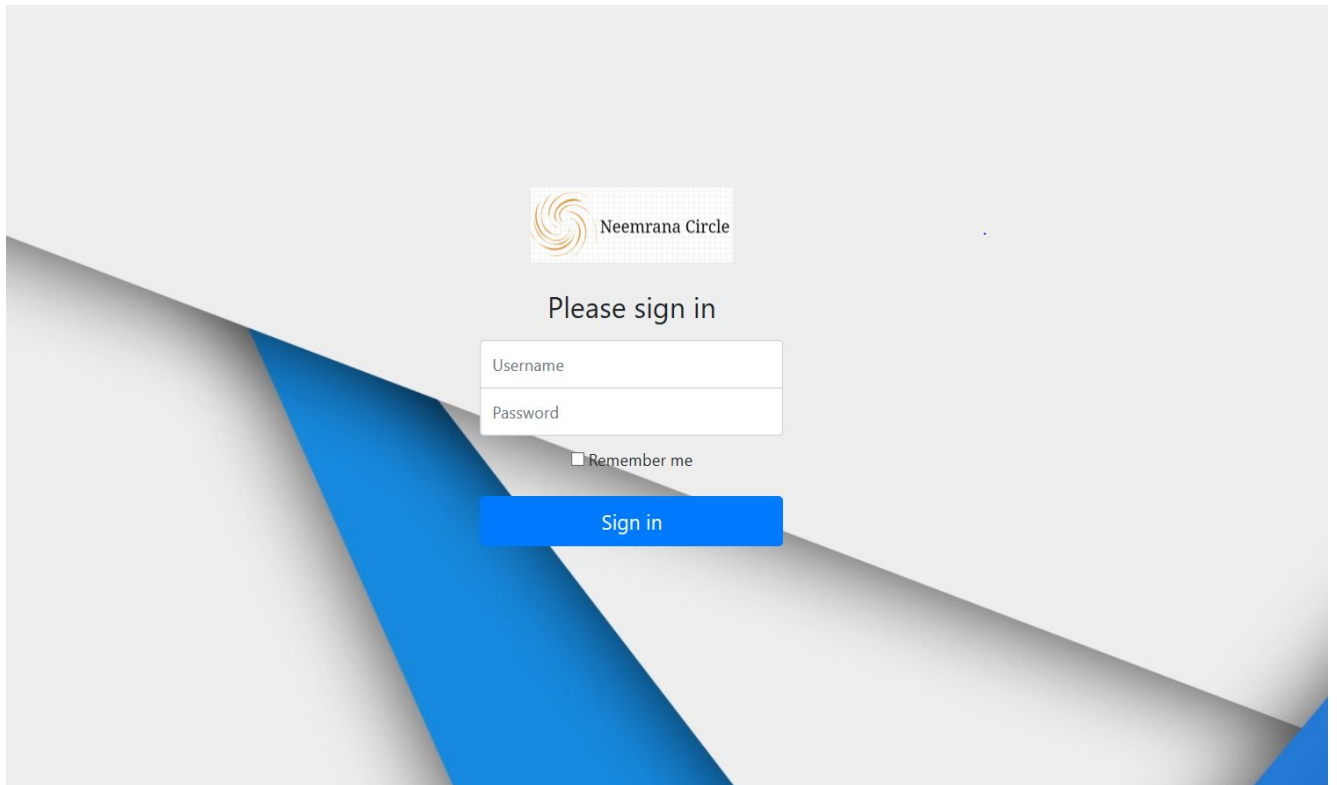

3.2.3 Shops Details Page

3.2.4 More images in Shop Details Page

3.2.5 Admin Login Page

The image shows the Admin Login Page for Neemrana Circle. The page has a light gray background with a blue diagonal stripe. At the top center, there is a logo for Neemrana Circle, which consists of a circular emblem with orange and yellow swirls, followed by the text "Neemrana Circle". Below the logo, the text "Please sign in" is displayed. Underneath this text, there are two input fields: "Username" and "Password". Below the "Password" field, there is a checkbox labeled "Remember me". At the bottom center, there is a blue button labeled "Sign in".

3.2.6 Admin Dashboard

The screenshot displays the 'Manage Shops' interface within a web browser. The browser's address bar shows the URL '127.0.0.1:5500/Admin.html'. The page features a dark blue header with the title 'Manage Shops' and two buttons: 'Delete' (red) and 'Add New Shop' (green). Below the header is a search bar with the placeholder text 'Search for names..'. The main content area contains a table with the following data:

<input type="checkbox"/>	Name	Email	Address	Phone	Pictures Path	Action
<input type="checkbox"/>	Thomas Hardy	thomashardy@mail.com	89 Chiaroscuro Rd, Portland, USA	(171) 555-2222	Hello	
<input type="checkbox"/>	Dominique Perrier	dominiqueperrier@mail.com	Obere Str. 57, Berlin, Germany	(313) 555-5735	Hello	
<input type="checkbox"/>	Maria Anders	mariaanders@mail.com	25, rue Lauriston, Paris, France	(503) 555-9931	Hello	
<input type="checkbox"/>	Fran Wilson	franwilson@mail.com	C/ Araquil, 67, Madrid, Spain	(204) 619-5731	Hello	
<input type="checkbox"/>	Martin Blank	martinblank@mail.com	Via Monte Bianco 34, Turin, Italy	(480) 631-2097	Hello	

The bottom of the screenshot shows the Windows taskbar with the search bar and various application icons. The system tray on the right indicates the date and time as 13-05-2019, 22:24.

3.3 Exiting the System

A user can exit the website by simply closing the web browser in which the user was using the website.

3.4 Special Instructions for Error Correction

Any errors that the application may have can be reported to NIIT University. The user should not have any system errors involved with their information.

4.0 FUTURE ENHANCEMENTS

4.1 Future Functionality

- Integration with Google maps
- Separate Login For Shop Owners
- Integration of Feedback/Rating System
- Creation of Mobile App

4.2 Maintenance Capabilities

All Future maintenance and responsibility will be handed over to NIIT University. The NU IT department will do any and all maintenance.
